10 It is seen from the Special Duty Accounts maintained in the office that a credit entry for a sum of Rs 202-8-0 is found in favour of this temple during the year 1901-02; but no debit is traced against the credit entry at all. Besides, the credit has been omitted in working up the total. In the absence of a debit entry and of an explanatory note as to the cause of omission in totalling up, it may be inferred that it was due to oversight. This becomes evident from the Treasury Certificate recorded in the Mis-Khiridi, as already stated.

12 The credit relates to 1901-02 (34 years old) and was not taken into account in working out the balance at the end of June 1925. There should, I think, be sufficient reasons for ignoring the credit and it cannot be inferred that it was due to oversight. Such old claims should not ordinarily be admitted.

SIR,

Refund of Rs 202-8-0 to the villagers of Rajanasiriyur in Belur Taluk for the construction of Sri Yoganarasimhaswamy Temple at the place.

I have the honor to forward herewith a copy of letter No.C.1900-33 dated 1-5-1934 from the Deputy Commissioner, Hassan District, together with the file of correspondence relating to the above and to state as follows:-

2. It is seen from the records that a sum of Rs 202-8-0 was paid to the Treasury on 30-3-1901 in C.No.85 by the villagers of Rajanasiriyur in Belur Taluk as contribution towards the cost of repairs to the Sri Yoganarasimhaswami temple at the place as per ~~this~~ Mis. khirad in the file.

3. As the head to which the amount was credited could not be traced in the taluk, the records relating to the period not being available the Comptroller was requested to intimate the details. He states that the information cannot be furnished as the records relating to the period are not available (copy of his reply enclosed).

4. As there is clear evidence to prove the credit of the amount to the treasury, and as the amount is said to be urgently needed for the repairs of the temple, I request that sanction of Government may kindly be obtained for paying this amount from the General Muzrai Fund to which the amount of un-traced credits are added under orders

Letter No.C.1900-32 dated 1-6-34 from the Deputy Commissioner, Hassan District, to the Muzrai Commissioner in Mysore.

Repairs to the Sri Yoganarasimhaswami temple at Narasimhapur, hamlet attached to the Rajanasiriyur village, Halebid Hobli, Belur Taluk.

In forwarding herewith the records ending with the Sakleshpur Sub Division Officer's No.C1-C.609-30 dated 1-4-1934 relating to the above subject, I have the honor to state as follows:-

2. The temple of Sri Yoganarasimhaswami at Narasipur, a hamlet attached to Rajanasiriyur village, Halebid Hobli, Belur Taluk, is a village institution.

3. As the villagers have urged for the early execution of repairs to the temple building, the P.W.D. was addressed for sending up an estimate of the probable cost of the same, and accordingly, an estimate for R 1,300/- has been received for sanction.

4. It has been reported by the Amildar, that only a sum of R 40/- is available at the credit of the institution in the Muzrai Pass Book. The villagers are praying that a sum of R 202-8-0 being the contribution to be deposited by the villagers on 30-3-1901 under challan No.77 may be utilised and that the necessary repairs may be got executed. In proof thereof, the miscellaneous khirdi containing the Treasury Certificates has been submitted. The Amildar states that it is not possible to verify the accounts as the Treasury 'C' Register has been destroyed as per Rules and that only a sum of R 40/- has been shown as balance at the credit of this institution in the Muzrai Pass Book as per C.O.No.1475-76/Muz.271-25-2 dated 19-5-1926 though there is a sufficient proof that the money collected from the villagers towards the cost of repairs of the temple was credited to the Treasury. In the absence of proof that the same was refunded or credited to the funds of the institution it is but fair that the amount should be utilised for the purpose for which it had been collected. The figure i.e. R 40/- which has been shown as at the credit of the institution as per the Government Order dated 19-5-1926 is not unverifiable perusal of the order fixing the amount will itself show.

Under the above circumstances, I request you to be so good as to intimate the money paid by the villagers has been disposed of.
